

Summer Financial Aid Award Acceptance Form

Name: _____ ID#: _____

Student Phone # _____ Email: _____

- Summer enrollment is attached as a “trailer” to the preceding academic year. Therefore, financial aid eligibility for the summer 2021 semester is determined based on information from the 2020-2021 FAFSA application. The 2020-2021 FAFSA application must be submitted by June 30th.
- Federal funds have yearly and aggregate limits which cannot be exceeded. If you’ve already received the maximum amount, you may not be eligible for additional funds in the summer.
- Every student requesting summer financial aid is manually reviewed before being awarded. An audit of your summer courses will be done to ensure that only credits required for your degree are funded. For example, if you are enrolled in 12 credits in the summer but only 6 are required for your degree, you will be funded for only the 6 credits.
- If you received a Federal Pell Grant in the Fall or Spring semester, you will be considered for additional summer Pell funding. You must be enrolled in at least 6 credits for the summer to be approved for the additional funding.
- There are no institutional scholarships available in the summer.
- There are no payment plans in the summer. All balances must be paid by the first day of summer classes or a hold will be placed on your student account. You may also be charged a \$250 late fee.
- You must notify the financial aid office if there is a change to your enrollment.
