Campus Ministry Notes

- **Baccalaureate Mass** will be held on *Friday, May 1st at 4:00 pm* at the McLaughlin Center. All are welcome to gather to pray with our graduates and their families. Bishop Fleming will be the presider. We encourage all our graduates to be present. All graduates will receive their Providence Pin at the Mass.
- **Liturgical Ministry Schedule** for summer is being put together in the next couple of weeks. If you are going to be here over summer and would like to assist at the Sunday Mass, please let Roy Lanham know. No prior experience necessary. With students leaving for summer we really need year round community, faculty, and staff to step up. Current liturgical ministers will see an email with the dates. Take a moment to respond to the email.
- **Ignatian Contemplation** is happening at *Noon on Wednesdays* in the Prayer Room in the Student Center. This is a guided meditation on a gospel story. It lasts around 20 minutes. Come and sit in the quiet with the Lord.

A View from My Window

It was on a Saturday afternoon of a retreat. I was sitting in the chapel praying. Four students came in, and after a moment of silence, they began to pray the divine mercy chaplet. At the time, I was offering intercessory prayer for a number of people in my life, asking the Lord to continue his work in them to become saints. I was also thinking about the coming and going of so many people in my life, who I have been privileged to accompany over the years, even if only for a moment. In the background I was hearing the words

*For the sake of His sorrowful passion,
Have mercy on us and the whole world.*

I found myself praying along with them. I started to remember something I read: *from a thought, comes an action; from an action comes a habit; from a habit comes a lifestyle.* These young people are creating a habit of prayer, which I hope will become a lifestyle, transforming who they are and how they encounter the world. Will it happen? I pray it does.

My heart at that moment was filled with the hope and the knowledge of a God who loves us. And when I get “small-minded” I hope I remember four students coming into a chapel and witnessing to me the joy of living our faith. May the joy of Easter continue to be a source of hope to you in this season. Alleluia!

Peace,

Roy
